- Skilled - Regional Sponsored (Provisional) visa (subclass 487)

To be eligible for South Australian Government state sponsorship, applicants should have been assessed by the relevant assessing authority, have met all the threshold requirements for sponsorship, including the minimum English Language requirements detailed by the assessing authority and any other additional requirements as detailed by Immigration SA

Some assessing authorities may have a specific IELTS score that applicant must meet in order to obtain a positive skills assessment.

If your skills assessing authority has no specific IELTS requirement or you already have a positive skills assessment, and there is no extra/additional IELTS requirement listed below (ie the column is blank) in the "Extra Requirements" column, then applicants must provide an IELTS test which is less than two years old which meets the minimum DIAC requirement of 6.0 in each band

Unless:

You hold a valid passport from, and are a citizen of, the United Kingdom, Canada, New Zealand, United States of America, or the Republic of Ireland.

Sponsorship approvals are valid for 30 days. There will no extensions (unless there are extenuating or compelling circumstances that are unforeseen AND beyond your control) and if the request is made before the approval expires. If a Sponsorship approval has expired, applicants will need to submit a completely new Sponsorship application. They must meet all criteria (including any new requirements) at that time.
